Desai v. Apex Insurance

Forum	Consumer Commission · Pune
Practice area	Insurance Claim
Outcome	Won

Case summary

A rejected medical claim left a family with an unpaid hospital bill. We showed the exclusion was misapplied and the insurer paid in full.

Our approach

We began with a full review of the documents and a frank assessment of risk with the client. Our team then built the case around the strongest facts, prepared every witness, and kept the client informed at each stage.

Result

Outcome: **Won**. The client received a clear written outcome and guidance on next steps.

This is a hypothetical case study prepared for illustration. Names, courts and facts are fictional and do not describe real proceedings or guarantee any result.
