Case summary

A dispute between an Indian exporter and a Gulf buyer threatened to run for years. Mediation closed it in three sessions.

Our approach

We began with a full review of the documents and a frank assessment of risk with the client. Our team then built the case around the strongest facts, prepared every witness, and kept the client informed at each stage.

Result

Outcome: **Settled**. The client received a clear written outcome and guidance on next steps.

This is a hypothetical case study prepared for illustration. Names, courts and facts are fictional and do not describe real proceedings or guarantee any result.
